

OAKS Essential Centre Data

We are asking centres involved with the STARSurg Outcomes after Kidney Surgery (OAKS) audit to complete the following form as soon as possible. This data is essential to allow the

inclusion of the results from each centre within the final OAKS paper and should take a couple of minutes to complete. This form can be completed by any consultant at the centre (this does not need to be the supervising consultant).

Please scan / send the completed form to starsurguk@gmail.com or contact us if you have any questions.
